

**A Wampanoag Nation Cooperative Project Since 1993  
PO Box 2241  
Mashpee, MA 02649**

This form is intended to field requests for Wôpanâak translation and /or Wôpanâak word analysis. Each request is reviewed by members of the Wôpanâak Language Reclamation Project committee. This committee is comprised of individuals from five communities within the Wampanoag Nation. All requests are taken under consideration regardless of the petitioner and all decisions rest with the committee as a whole. Please include as complete a description of your request as possible. The Language Committee will provide a response to your organization within one week of a vote. Please be aware that the Language Committee meets approximately every other month.

Please note that any requests for translation that are approved by the Language Committee may be used strictly for the purpose indicated in this document only. Further, requests for translation are for the single use of the language noted in this application only and not for a broader usage.

**Signed Agreement:**

I understand that the Wôpanâak Language is protected by copyright, is not for sale and may not be used on any items whatsoever that are intended for sale, trade, or licensing, nor may it be replicated on items that will be sold, traded or licensed. I further understand that any violation of this agreement will be prosecuted to the full extent of the law.
